

## AI and Data-Sharing Clauses in Research Agreements: Katherine Leibowitz at MAGI 2026

03-24-26 • event • [katherine leibowitz](#)

**Katherine Leibowitz will be presenting on artificial intelligence at the upcoming MAGI Clinical Research Conference. She will be joined by Istvan Fekete and Maggie Wallendal for “AI, Digital Tools, and Data-Sharing Clauses in Contracts.”**

The session will take a practical, real-world look at how AI is actively reshaping clinical operations and research contracts, including emerging use cases, key risks and benefits, “no AI” clauses, informed consent considerations, and data-sharing implications.

If you are attending WCG MAGI, this is a session worth prioritizing.

### Session details

Monday, April 13, 2026

11:30 a.m. – 12:30 p.m.

Chicago, Illinois

Q&A included

WCG MAGI conferences bring together sites, sponsors, CROs, and technology vendors, making them a practical forum for staying current in clinical research.

You can view the full agenda and register [here](#).

We look forward to seeing you there.
