It's back to school time! Get started with the week-long MAGI conference. We are delighted to announce that Katherine Leibowitz will present on clinical trial agreements at the upcoming MAGI@home Clinical Research Conference. Join Katherine and her colleagues, Conor Flynn and Wesley Warren, for Part Three of this three-part workshop that dives into all the components of a clinical trial agreement. Think you can Stump the Experts? Join Katherine again on Friday and bring your questions as Katherine, Phil Boyce and Wesley Warren will answer any questions you have about drafting and negotiating clinical trial agreements.
