We are pleased to announce that Katherine Leibowitz will be presenting “Cybersecurity in CTAs and Vendor Agreements: Proactive Management vs. Cleaning Up the Mess” at the upcoming SCOPE Summit for Clinical Ops Executives.

This session will discuss common themes in cybersecurity language from research institutions and pitfalls for sponsors. Participants will hear about lessons learned from sponsor audits of their vendor agreements for compliance with the CTA language and backup for CTA economic exposure. This hybrid conference runs from February 7 – 10, 2022.

The Cybersecurity session is on February 9th from 11:25 a.m. – 11:50 a.m. ET. There will be a live Q&A during which Katherine can answer your questions directly.

[SCOPE](#) is a terrific way for clinical operations executives to learn about and share what’s happening right now in clinical research.
